

National case no. 00328/2022-Os-15

December 5th 2022

DECISION APPROVING PROCESSOR BINDING CORPORATE RULES OF Piano Group

Pursuant to the request by Privacy and Technology Law Firm - Dagital Legal, s.r.o., Nové Záhřady I/9, 821 05 Bratislava, Reg. no.: 50 881 761 on behalf of the Piano Group, received on 14 February 2020, for approval of their binding corporate rules for processor;

Having regard to Articles 47, 57 and 64 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation or GDPR); Having regard to the CJEU decision Data Protection Commissioner Maximillian Schrems and Facebook Ireland Ltd, C-311/18 of 16 July 2020;

Having regard to EDPB Recommendations 01/2020 on measures that supplement transfer tools to ensure compliance with the EU level of protection of personal data of 18 June 2021; Makes the following observations:

1. Article 47(1) of the EU General Data Protection Regulation 2016/679 (GDPR), provides that the Slovak SA shall approve Binding Corporate Rules (BCRs) provided that they meet the requirements set out under this Article.
2. The implementation and adoption of BCRs by a group of undertakings is intended to provide guarantees to controllers and processors established in the EU as to the protection of personal data that apply uniformly in all third countries and, consequently, independently of the level of protection guaranteed in each third country.
3. Before carrying out any transfer of personal data on the basis of the BCRs to one of the members of the group, it is the responsibility of any data exporter in a Member State, if needed with the help of the data importer, to assess whether the level of protection required by EU law is respected in the third country of destination in the case of the specific data transfer, including onward transfer situations. This assessment has to be conducted in order to determine whether any legislation or practices of the third country applicable to the to-be-transferred data may impinge on the data importer's and/or the data exporter's ability to comply with their commitments taken in the BCR, taking into account the circumstances surrounding the transfer. In case of such possible impingement, the data exporter in a Member State, if needed with the help of the data importer, should assess whether it can provide supplementary measures in order to exclude such impingement and therefore to nevertheless ensure, for the envisaged transfer at hand, an essentially equivalent level of protection as provided in the EU. Deploying such supplementary measures is the responsibility of the data exporter and remains its responsibility even after approval of the BCRs by the competent Supervisory Authority and as such, they are not assessed by the competent Supervisory Authority as part of the approval process of the BCRs
4. In any case, where the data exporter in a Member State is not able to implement supplementary measures necessary to ensure an essentially equivalent level of protection as

provided in the EU, personal data cannot be lawfully transferred to a third country under these BCRs. In the same vein, where the data exporter is made aware of any changes in the relevant third country legislation that undermine the level of data protection required by EU law, the data exporter is required to suspend or end the transfer of personal data at stake to the concerned third countries.

5. In accordance with the cooperation procedure as set out in the Working Document WP263 rev01¹, the Processor BCRs application of Piano Group was reviewed by the Slovak SA, as the competent supervisory authority for the BCRs (BCR Lead) and by one Supervisory Authority acting as co-reviewer. The application was also reviewed by the concerned SAs to which the BCRs were communicated as part of the cooperation procedure.
6. The review concluded that the Processor BCRs of Piano Group comply with the requirements set out by Article 47(1) of the GDPR as well as the Working Document WP257 rev01² and in particular that the aforementioned BCRs:

DECIDES AS FOLLOWING:

1. The **Slovak SA** approves the Processor BCRs of Piano Group as providing appropriate safeguards for the transfer of personal data in accordance with Article 46(1) and (2) (b) and Article 47(1) and (2) GDPR. For the avoidance of doubt, the **Slovak SA** recalls that the approval of BCRs does not entail the approval of specific transfers of personal data to be carried out on the basis of the BCRs. Accordingly, the approval of BCRs may not be construed as the approval of transfers to third countries included in the BCRs for which, an essentially equivalent level of protection to that guaranteed within the EU cannot be ensured.
2. The approved BCRs will not require any specific authorization from the concerned SAs.
3. In accordance with Article 58(2)(j) GDPR, each concerned SA maintains the power to order the suspension of data flows to a recipient in a third country or to an international organization

whenever the appropriate safeguards envisaged by the Processor BCRs of Piano Group are not respected.
